

HC 5010

GRAFFITI REMOVER

Removes all types of graffiti from porous and hard surfaces.

PRODUCT DESCRIPTION:

Graffiti Remover is a highly effective cleaning agent for the removal of graffiti and shadows on porous surfaces. The product can be used with advantage on external porous surfaces such as masonry, concrete, bricks, as well as on hard surfaces like glass, metal, and painted surfaces.

HIGHLIGHTS AND FEATURES:

- Removes graffiti from porous and hard surfaces such as masonry, concrete, bricks, etc.
- Fast-acting and low odor
- Environmentally friendly product

RECOMMENDATION:

Recommended for concrete, bricks, cement, stucco, masonry, marble, granite, wood, glass, metal, tarps, painted surfaces, and tiles. Not recommended for anti-graffiti coated surfaces, plexiglass, or reflective signs.
